

Surf Pediatrics and Medicine is currently seeking a Family Medicine or Internal Medicine/Pediatric Physician to join a well-established growing practice in the Outer Banks of North Carolina.

Our practice has been serving this community for over fifteen years and has two offices located in Kitty Hawk and Kill Devil Hills. Come join our innovative practice which has an environment that allows staff to fulfill their genuine desire to provide whole-person care for their patients and outreach within the community while living in one of the top-rated coastal regions in the country offering pristine beaches and protected federal and state parks.

Key Opportunity Points:

- MD/DO license and Board Certified-Board Eligible (Family Medicine or Med/Ped)
- Active / in process North Carolina Medical License
- Provide full-spectrum primary medical care to patients of all ages. Our patient panel is a 60:40 pediatric to adult mixture with less than 150 Medicare patients. Would like to grow our adult services for parents of the pediatric patients.
- Competitive Compensation and Comprehensive Benefit Package to include: Relocation/Sign-on Bonus, Vacation, Sick, & Holidays, Malpractice (with tail), Educational Loan Repayment, Medical Dental, 401k matching program/profit sharing program, CME Stipend
- Must be comfortable seeing 18 - 23 patients a day
- 36-hour clinic weeks | 100% outpatient | No hospital call
- Longevity within the practice (both existing clinical and support staff)
- On-site Lab and affiliated urgent care with radiologic services
- Philanthropic activities/opportunities through the Surf Pediatric Foundation
- Local specialist support from: ENT, Ortho, General Surgery, Derm, OBGYN, Hematology/Oncology, Urology, Cardiology, and inpatient/outpatient services from the Outer Banks Hospital
