**WCMS Raleigh Islamic
Center Visit and Dialogue**

Members of the Wake County Medical Society met with members of the Raleigh Islamic Center and Imam Mohamed Abu Tabel.

The Imam shared the history of the divine text of the Quran, the history of key profits and life for Muslims in America in general and the daily life of spiritual vitality at the Raleigh Islamic Center in specific.

Members of the society enjoyed a dialog with the Imam, the opportunity to witness afternoon services and partake of a generous and gracious feast at the end of the session. It was a memorable experience for all participants.

The Wake County Medical Society October 2019 Book Club Meeting

The October meeting of the Wake County Medical Society book club, which meets quarterly, discussed “The Underground Railroad” by Colson Whitehead. The club members discussed the unique terrors for black people in the pre-Civil War era including the brutal importation of Africans and the consequences for all our society until this very time.

Dementia Alliance of North Carolina

engage. educate. empower.

Dementia Alliance of North Carolina's mission is to improve the lives of all North Carolinians impacted by dementia, engaging, and empowering them through support, education, and research. Across the state, we offer local insight, compassionate support, and assistance to those who are living with or caring for individuals throughout all stages and types of dementia.

- Individual & family counseling at no cost
- Support groups and support group facilitator training
- Caregiver resource referral information
- Referrals and reimbursement for respite care
- Community talks, workshops and conferences
- Seminars for family caregivers
- Training for professional law enforcement groups
- Funding research in NC to advance innovative therapies.
